**KNOW YOUR
POTENTIAL**

Here's an opportunity through writing

CERTIFICATION EXAM

**FULFILL YOUR
DREAM**

- ❖ SKK International Olympiad
- ❖ SKK International Mathematics Olympiad
- ❖ SKK International Science Olympiad
- ❖ SKK International English Olympiad
- ❖ SKK International Cyber Olympiad

THE SKK IO IS HELD ON TWO DIFFERENT LEVELS:
LEVEL -1

The level-1 competition is an objective test taking 60 minutes that consists of 40 multiple-choice questions for classes 1 to 5 and 50 such questions for classes 6 to 10.

LEVEL -2

Selection of students for the level-2 examination:

- ★ The top 3 candidates for each class from each school who appear for the first-level exam
- ★ In case of a tie of marks, due weightage to marks scored in different sections will be given. Each section is accorded separate weightage.
- ★ The test pattern is the same as in level-1.

SKK INTERNATIONAL OLYMPIAD

For Registration details please visit
www.skkedu.org

please download the application forms
for schools & students

**Students with significant physical
disabilities are not required to pay any fee.**

The SKK International Olympiad is held on two different levels:

The test pattern for levels - 1 and 2 is shown below

The question paper consists of the following sections:

For Class-1 to Class-5

Section-1: Logical Reasoning

Section-2: Science

Section-3: Mathematics

For Class-6 to Class-10

Section-1: Logical Reasoning

Section-2: Science

Section-3: Mathematics

Section-4: Achievers Section

The medium of the test is English.

Syllabi from the IGCSE, CBSE, ICSE/ISC, and State Board are used to set the test questions.

The exam will be conducted during school hours.

We have faith that the youth of this country will succeed in their chosen career due to the solid academic foundation of SKK International Olympiad. Our mission extends beyond the following.

- ❖ Empower the next generation of leaders to excel in the classroom.
- ❖ Enhance the rank of students and institutions around the world.
- ❖ The SKK International Olympiads provide the best environment for promoting a healthy competitive spirit in the academic community.
- ❖ Raising students' awareness of regional, societal, and global cultures.
- ❖ Provide a comprehensive exam experience while keeping to all of the most recent State/CBSE regulations.
- ❖ Make the learning enjoyable and interesting to meet the demands of the students.

Note: Participants can be given a User ID & Password to access exam pattern and practice pre-mock tests on our website.

The International Mathematics, Science, English & Cyber Olympiads are the world's most anticipated educational events for study lovers from all over the world. It fervently sparks students' imaginations and reveals their true potential.
